An opportunity for you!

Calling future leaders...

About Sewa Fellowship: Sewa Fellowship is a **100-week experiential learning program** for future grassroots

leaders, built at the intersection of an extensive multi-disciplinary curriculum and grassroots development.

As an intensive journey, we nurture young nation-builders with expert mentorship, experiential learning, and an impactful journey with some leading non-profits of Bharat.

Features:

- **Positive Support: Direct Stipend** of ₹20,000 per month, along with mentorship and immersive learning.
- **Grant Support:** All fellows will get a grant amount of around ₹1.75 Lakhs at the successful completion of the fellowship.
- **Interdisciplinary Curriculum:** Comprehensive & holistic curriculum delivered by practitioners from across the world.
- **Expert mentorship:** 50+ expert mentors to inspire, inform, guide, and awaken the best in the fellows.
- **Live Projects:** Extensive reflective exercises to support learnings on self, society, development, and the world.
